5. Name the financial organisation that has recently (in may '24) amended the guidelines on dynamic price bands for scrips in the derivatives segment to improve uncertainty in management and reduce information disproportion.

- 1) Reserve Bank of India
- 2) International Financial Services Centres Authority
- 3) Securities and Exchange Board of India
- 4) Insurance Regulatory and Development Authority
- 5) Pension Fund Regulatory and Development Authority

Answer- **3) Securities and Exchange Board of India**

Explanation:

The market regulator **Securities and Exchange Board of India (SEBI)** has amended its guidelines on dynamic price bands for **scrips** in the derivatives segment in order to improve uncertainty in management and reduce information disproportion.

- In the present scenario, cash market and futures contracts begin with a price band at 10 per cent of the previous day's closing price, which can be altered by 5 per cent during the day if there are at least 25 trades involving 5 unique client codes (UCCs) on each side at or above 9.90

per cent. Each adjustment follows a 15-minute cooling-off during which trading continues within the current band.

- In order to tackle the inconsistency, SEBI will increase the cooling off period of 15 minutes and would decrease the flexing per cent of 5 per cent in a calculated manner.

Note: Scrips – Scrip is a term that refers to any kind of substitute for money that is not legal tender. It can be used as a form of credit, where the scrip holder can exchange it for something of value in the future.[Click here to read more](#)
